School Excursions and Day Trips to Willow Feather Farm

(We only accommodate schools in the morning up to 12h00)

We at Willow Feather Farm would like to recreate the experiences and moments that we had on the farm as children. Many children today do not have the opportunity to run and play in a large established garden, interact or learn about a variety of farm animals. We provide facilities where children can experience all of this on a safe, secure and clean farm. Our team at Willow Feather Farm would like to invite you and your school for a day out to our tranquil farm. Come and visit our wonderful animals, including varieties of Sheep, Potbelly Pigs, Goats, Ducks & Geese, Turkeys, Donkeys, Alpacas & , and more!
